CODE OF ETHICS

Members shall constantly seek to provide better values for the customers they serve. Members shall share their knowledge with fellow members and the public in the best interest of those they serve. Members shall not obtain any business by means of fraudulent statements or by use of implications unwarranted by fact or reasonable probability. Members shall comply, both in spirit and letter, with rules and regulations prescribed by law and government agencies for health, safety and progress of the community. Members shall not perform or cause to be performed any act which would tend to reflect on or bring into disrepute any part of the industry served by this Association.
